Notice Concerning Change of Trade Name

Nippon Beet Sugar Manufacturing Co., Ltd. (the “Company”) hereby announces that, at a meeting of the Board of Directors held on April 22, 2026, it resolved to change its trade name, subject to the approval of partial amendments to the Articles of Incorporation at the 128th Ordinary General Meeting of Shareholders to be held in June 26, 2026, as described below.

Details of the partial amendments to the Articles of Incorporation related to this change of trade name will be disclosed separately at a later date.

1. New trade name

Nitten Co., Ltd.

2. Scheduled date of change

October 1, 2026

3. Reason for the change

Since its founding in 1919, the Company has worked for over 100 years to ensure the stable supply of domestically produced sugar through sugar beets and to contribute to the development of agriculture in Hokkaido.

Currently, leveraging the unique knowledge and technologies cultivated in its sugar manufacturing business, the Company has expanded its operations into a wide range of fields, including food, feed and agricultural materials; however, in line with the Second Medium-Term Plan, the Company will change its trade name to Nitten Co., Ltd. to signify a shift from the conventional “beet sugar business” to a sustainable “sugar beet industry.”
